About Us

Institute of Language Management popularly known as ILM, is a premier and pioneer ISO 9001: 2015 certified English Language Training Organisation.

Incorporated in the year 2002, today ILM is the most preferred and highly trusted organisation (by School Managements) to impart the art of English Language / Communication Skills / English Knowledge through and along with various activities as a `part' of the curriculum for the students. More than 13 lakh students from Tamilnadu, Kerala, Karnataka, Telangana, Maharashtra, Madhya Pradesh and Andhra Pradesh have benefited under the guidance of our expert trainers in the last 20 years.

ILM'S training through recreational activities help the students/children to relax and refresh their minds. ILM'S training creates positive outcomes such as confidence, self-respect, self-esteem, trust, self-reliance, leadership abilities etc...

At the helm of ILM are the two Directors - Mrs. Ronila Kalro (Academics) and Mr. Sanjay Subramanya. T (Administration).

Mrs. Ronila Kalro

is the Academic Director of Institute of Language Management (P) Ltd., She has vast experience in English language teaching and course content development.

Her extensive experience as a teacher and an entrepreneur has enabled her to create a course based on the curriculum for students to understand and implement English in (as a communicative language) their lives in a simpler, innovative and recreational way.

Mr. Sanjay Subramanya. T

is the Administrative Director with a law background, he successfully manages and runs the organisation, with his expertise and profound knowledge of administrative matters.

He is the visionary behind ILM'S rapid strides towards enabling young minds to imbibe the art of communication at very young age so that they become confident personalities at a later stage of their life.

Academic Year PROGRAMME

Quality Education at a minimal fee for all

We would like to conduct our classes for the benefit of the students at a very nominal, attractive and affordable cost.

Learning a language skill and effective communicative skills is an art and also comprises the learning of the culture involved within that language. At ILM'S classes students learn this through fun, recreational, relaxing, enjoyable and practical methods.

ILM'S training through recreational activities are interactive and fun filled ones, where the students are motivated to interact with their counterpart, participate in many skills exhibiting activities, drama performances, presentation skills, performance arts, games, puzzles etc.,

ADMINISTRATIVE

An MOU will be signed between ILM and the School.

ILM has an effective system of Reporting, Monitoring and Evaluating the performance of the trainers with the assistance of the school managements. This will be on a continuous basis THROUGHOUT THE ACADEMIC YEAR.

We have also introduced an exclusive Online Service for schools. This service is known as ILM'S SCHOOL MANAGEMENT SYSTEM. This service will give you DIRECT ACCESS to the Head Office in Bangalore where all information, queries and reports can be discussed.

Duration : 1 Academic Year during school hours (June / July - February / March for 8 months).

Total number of Classes : Minimum 45 in 1 Academic Year per section / division (2 periods per week per division / section).

Number of Faculties : Depending on the number of sections / divisions ILM will decide the number of trainers / teachers.
(1 Faculty / Trainer / Teacher can handle 30-32 periods per week)

Ahmedabad: "Sir my class teacher is asking for the attendance register", says a student barging into the principal's room. The student is sent back to mend manners and he returns knocking on the door — "Excuse me sir, may I come in?"

The principal nods, the student comes in and while leaving, thanks the principal and wishes him a good day. This is a scene being enacted in Class VI of CU Shah Primary School at a session on Communicative English, meant to improve spoken English and etiquette.

Different from regular English lessons which teach reading and writing in English, students

five others are working in some schools in Ahmedabad, teaching students to speak English. These schools have signed a Memorandum of Understanding(MoU) with ILM, that has sent trained faculty to orient students and help them in the usage of English.

Bela Mehta, the principal of CU Shah Primary School said, "we as adults fail to create an environment for our children to learn and speak English, with this MoU we have tried to create that environment".

The other schools that have taken this course are Nil Primary School, KN Primary School and GLS Primary School. The course includes basics of greetings, introductions of self, pre-

ing body language, etiquette and social skills. The teaching methods include dramatics, listening and writing techniques, songs, role play and other demonstrations.

Krishnd Trivedi, class VII student of CU Shah Primary school says, "Its only been a month since we have been attending these sessions, but the difference is evident already We have started talking in English even in other classes". ILM's teaching style gives the students scope to explore their creativity.

"We let the students make councils to carry out checks in the schools. They are given badges and posts too. We conduct an English March, where the students singing songs marc
